

Virtual Scavenger Hunt

Isolate and Communicate

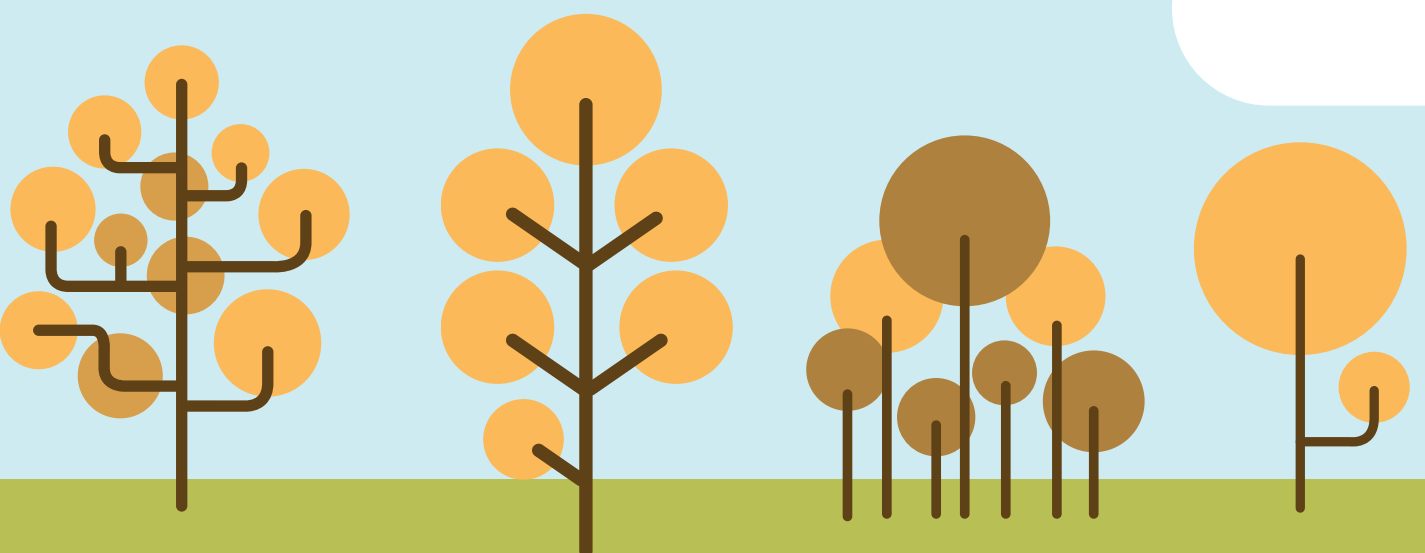

All answers to the knowledge-seeking questions can be found through links on the Isolate and Create portal, or on our partner's Social Media channels/websites. Some questions will require a bit of digging, but the method you use to come up with your answers is up to you!

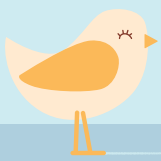

When taking photos for place-based questions, please remember to maintain an appropriate social distance.

5 first place prizes will be awarded to those with the most points. If there are more than five winners, names will be selected at random.

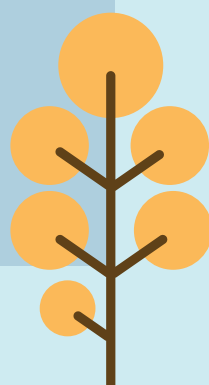

Please submit your answers at <http://www.okcreateonline.com/virtual-scavenger-hunt.html>
